Scope / products / finish

Supply and fit two ordinary non-fire-rated door slabs in compatible retained frames, new hardware and casing on four faces. Include filling, prep, cut-edge sealing and cleanup. Customer's painter completes the finish to the door maker's instructions; agree timing before work.

Exclusions / allowances

Assumes inspected, sound frames and agreed access. Excludes frame replacement, structural work, wall repairs, final painting and rated-door work. Agree additional work before starting it.

Schedule / payment / acceptance

Agree the schedule, payment and acceptance arrangements for the actual job.

0% tax is shown for illustration only. Use the applicable tax treatment for your job.
